We welcome three young talented singers who came together- and to prominence, in Lockdown One performing in a different square around Earls Court, SW London every Thursday evening, singing to cheer on al fresco crowds to clap for the NHS.

They perform some of the repertoire they are passionate to take around Europe- songs from Scandinavia, Italy and Germany, France and the UK- a programme which includes songs by Grieg, Sibelius, Franz Liszt- some of the Petrarch Sonnets, Duparc, Chabrier and Gerald Finzi's Let Us Garlands Bring.
